# Drain Smart™

healthy plants, no mess, no hassle

**Drain Smart container-drainer discs are the cleaner, simpler way to drain pots and promote healthier plants**

- ❖ **Proprietary technology:** The specially designed filter fabric and nylon mesh promote improved and continuous drainage.
- ❖ **Two sizes:** 6" discs available in a 5-Pack, & 9" discs in a 2-Pack.
- ❖ **Re-usable:** Drain Smart discs are sturdy and designed for years of use. Simple to store in a drawer until next year's planting.
- ❖ **Replaces gravel & bark:** No bulky bags of gravel or bark to store.
- ❖ **Prevents mess:** Prevents soil & dirt leaking out of drainage hole.
- ❖ **Custom fit:** Drain Smart discs can be trimmed to fit any pot.
- ❖ **Flexible:** Drain Smart discs mold to bottom of planter.
